

LIBERTY SERIES

Easy-Handling, Portable, Gasoline-Powered Hot Water Pressure Washer with Roll Cage

North American-Style, Portable, Gas-Powered Hot Water Pressure Washer Ideal for On-Site Commercial Cleaning Jobs

These portable, gas-powered, diesel-heated hot water pressure washers are loaded with heavy-duty components and a rugged steel chassis. Their compact frame design along with tubed pneumatic tires provide easy maneuvering in any terrain.

- **Totally Self-Contained and Portable**
- **Industrial-Duty Pump with 7-Year Warranty**
- **Reliable Honda or Robin Engine**
- **Up to 3500 PSI**

Extra-compact model: 39"L x 28"W x 42"H

Each unit is ETL certified to UL and CSA safety standards and has a Schedule 80 steel heating coil with stainless steel wrap. Heavy-duty Kärcher crank-case pumps feature brass cylinder heads and 7-year warranty.

TYPICAL APPLICATIONS

- Agriculture
- Engine Repair
- Municipalities
- Rental
- Bldg Maintenance
- Marina
- Transportation
- Light Equipment

WHY KÄRCHER

Kärcher is the most trusted name in pressure washers—a fact confirmed when Kärcher was the only brand

selected to clean the famous Mount Rushmore National Monument in 2005.

Founder Alfred Kärcher invented hot water pressure washing in 1950. Today, as the world's largest manufacturer of pressure washers, Kärcher is the recognized innovative leader in the industry with nearly 300 patents.

Full-size models: 46"L x 28"W x 44"H

- Industrial-grade Honda and Robin engines with two-year warranty; two models with electric-start standard
- High-efficiency burner with transformer for years of reliable and affordable operation
- Easy-to-attach downstream detergent injection with quick couplers
- Industrial-grade, tri-plunger, oil-bath, direct-drive, Kärcher pump with 7-year warranty
- 50 ft. of durable, wire braid hose rated for 3000 or 4500 PSI; with hose guard for burst protection
- Four conveniently mounted, quick-couple spray nozzles for varying fan spray
- **ETL certified** to UL and CSA standards
- Heavy-gauge 1 1/4" steel frame with powder coat finish for all-weather protection
- Power platform cushioned on 4 vibration isolators for smoother operation and long-life protection to frame and components
- 13-Inch tubed pneumatic tires for easy handling on all terrains
- Safety relief valve attached to discharge side for protection against excess pressure build up
- Rust-free, 6-gallon polyethylene diesel fuel tank for hours of operation without interruption
- Insulated Schedule 80 heating coil is made of 1/2-inch steel pipe and cold rolled; comes standard with stainless steel coil wrap and 5-year warranty
- Insulated trigger gun for hours of fatigue-free cleaning
- Water resistant control box with burner on/off switch, adjustable thermostat and hour meter
- Thermal pump saver valve protects against hot-water damage by venting recirculated water
- Insulated, dual-lance variable pressure wand with quick-couple connectors for easy attachment of high-pressure spray nozzles
